2026–2027 Charter School Program Year  
August 1, 2026 – July 31, 2027

Welcome to Inland Empire Gymnastics Academy's Charter School Program!

Dear Parent or Guardian,

We are so pleased that you are considering Inland Empire Gymnastics Academy (IEGA) as a partner in your child's development. Whether your goal is to provide high-quality physical education instruction or to enrich your child's learning experience through participation in an extracurricular activity, we are confident that our curriculum-based programs will support their growth. Each of our programs is designed to enhance fine and gross motor skills, build muscular strength, flexibility, endurance, and cardiovascular fitness, and foster confidence, teamwork, and a lifelong love of movement.

Please take a moment to review the Charter School documents provided on this page of our website. These materials have been created to help your family navigate the process of enrolling at IEGA using your charter school instructional funds and are a supplement to the IEGA Registration Packet, which you will complete upon enrollment. To start the enrollment process, please set up an account on the IEGA Parent Portal and then either give our front office a call at (909) 383-6655 or submit a Class Information Request through the Contact page. Either way, please be sure to let us know that you are interested in the Charter School Program.

Maintaining open communication between IEGA and our charter school program families is essential to ensuring accuracy and timeliness in obtaining and managing purchase orders. And so as you read through all of the information on our website and move through the enrollment process, if you have any questions, please do not hesitate to contact us so that we can assist you.

Thank you in advance for entrusting us with this important part of your child's journey. We look forward to working with your family and supporting your child's continued success.

Gymnastically Yours,

Katie Willis, Owner
