

Charter School Program Price Sheet for 2026

All classes at Inland Empire Gymnastics Academy are billed for 4 weeks, unless there is a prorated month due to a pre-schedule IEGA holiday and/or IEGA gym closure. Charter school students are eligible for our multi-class discount, but not the sibling discount. If a charter school program family has one student whose tuition is being paid for by purchase order and another student who is self-paid, the non-charter school student will receive the multi-child discount as long as the charter school student remains enrolled.

When enrolling at IEGA with the use of a charter school purchase order, we strong recommend that you initially enroll as a self-paying customer in order to secure your desired class day & time. Obtaining a purchase order can take time and we cannot hold a class spot without either the payment of tuition or an approved purchase order at the time of enrollment. Once your purchase order is received & approved, all future tuition will be invoiced directly to your charter school at the end of each month.
