By signing this form, I give my child permission to participate at an Inland Empire Gymnastics Academy event. I understand that the very nature of the sport of gymnastics and tumbling involves increased risk of personal injury and so I agree to hold harmless and waive any liabilities that Inland Empire Gymnastics Academy, and it's staff, may have to me, or my child, as a result of any injury to my child because of my child's participation in an event held at or sponsored by Inland Empire Gymnastics Academy.
